

POSTER WALK PRESENTATION GUIDELINES

For information on registration, housing, and international travel visit www.ascpt.org. ASCPT does not provide honoraria or travel/housing reimbursement for poster presenters.

Poster Walk Description

Poster Walks are led by ASCPT member experts and provide an opportunity to discuss intriguing posters and the latest discoveries in the field. You will be required to give a brief, informal summary of your abstract during the Poster Walk. PowerPoint presentations are not permitted.

Poster Walk Discussion

- Your poster will be introduced by the session chairs.
- Please be prepared to give a brief (1-2 minute) high level overview of your work.
- Poster walk attendees will ask questions, so please be prepared to address questions from colleagues.

Poster Session

In addition to your Poster Walk Presentation, you will also have a Poster Session. **You are required to stand with your poster during the 90-minute time frame of your assigned poster session.** Refer to the poster presentation information e-mail for your scheduled poster session. If you are a Presidential Trainee and these times overlap, we will include a note for attendees to attend your Poster Walk.

Poster Board Requirements

- Posters should be formatted horizontally (landscape) and must **not exceed 4 feet high (48 inches/120 centimeters) and 7 ¼ feet (87 inches/220 centimeters) wide** to allow space for the poster number. Posters larger than 4 x 7 ¼ feet will not be displayed.
- The poster board number and push pins will be provided at each board. Please do not remove these items once posted.
- All posters are required to be mounted on the provided board. Free standing structures and posters are not permitted.

Poster Content

- The poster should include a header with the abstract title and authors at the top of the poster space. The lettering for this section should not be less than 1.5 inches/4 centimeters high.
- **Posters cannot contain any advertising, trade names, or a product-group message.** All content must be free from commercial bias and should reference the best available evidence where applicable.
- ASCPT does not allow the use of QR (quick response) codes on posters and handouts as a method of sharing information.

- Do not handwrite on the poster boards. Illustrations must be readable from distances of 3 feet/1 yard or more. Charts, drawings, and illustrations should be similar to those you would use in making slides:
 - Simple use of color can add emphasis effectively.
 - Material should contain appropriately heavy lettering at least 1 inch/2.5 centimeters high.
 - Shade block letters where possible.
 - Keep illustrative material simple.

Set-up and Removal

Refer to the poster presentation information e-mail for your assigned poster session. You are required to set-up and remove your poster the day of your poster session within the set-up and removal time frames listed below, except for Presidential Trainee Award posters, which will remain on display during all poster hall hours on Wednesday, Thursday, and Friday of the conference. If your poster session and poster walk are on the same day, you are required to bring two copies of your poster. If your poster session and poster walk are on different days, you will be required to move your poster.

- **Check-in** during your designated set-up time with ASCPT Staff at the entrance to the poster hall.
- **Posters must be removed at the designated times.** All posters left behind will be discarded at the end of each poster session.
- You must display your ASCPT badge at all times for access into the poster hall.
- Only the poster presenter may enter the hall during the set-up hours.
- Use of camera or digital recording devices by attendees is not permitted.

Handouts and Shipping

- ASCPT is not responsible for shipping and handling of posters to and from the meeting.
- Handouts of your poster are allowed, but you are solely responsible for printing and distributing these materials.
- Envelopes or other methods of collection for business cards of attendees who arrive before the attended poster time are allowed.
- ASCPT does not provide tables for your materials.

Scheduling Information

Please refer to your poster walk notification and poster session notification e-mails for the date and time of your sessions. You are expected to be with your poster at both scheduled times.
