ASCPT Partnership planning options for 2024, including the ASCPT 2024 Annual Meeting (AM24).

Please note, some of these opportunities are available in limited quantities and will be provided on a first-secured basis. Listed prices and options should be considered confidential to potential Partner and are valid through **February 23, 2024**. Partnership inclusions for the 2024 Annual Meeting secured after this date are subject to availability. Partners securing their options after this date may not be included in select electronic and/or printed items already complete.

All current and prospective partners agree to accept and acknowledge ASCPT's terms and conditions. ASCPT maintains right of first refusal with priority given to previous partners, and reserves the right to fully vet/decline potential partners if deemed necessary.

WHY PARTNER WITH ASCPT?

Are you looking to get proper face-time with your target market, generate new leads, extend brand awareness and even maintain existing relationships?

ASCPT is focused on the future and providing significant value to our Partners. Therefore, we are doing away with a standard exhibit hall and are now focusing on value-added opportunities including branding, speaking, and year-round options to enhance ROI. Because of this, we work with each Partner individually to create a package that works best for accomplishing your goals.

As you move through these opportunities, remember to consider that more than half of ASCPT members will continue to enjoy opportunities in a virtual-only format. Therefore, it's important to recognize a hybrid audience and how you can engage them throughout the year.
