

# Pursuing the management track in a scientific organization - learn from the experts

Chairperson(s)

Catherine M.T. Sherwin, Ph.D., FCP., Interim Chief Division of Clinical Pharmacology, Department of Pediatrics, University of Utah School of Medicine, SLC, UT

Patricia W. Slattum, Pharm.D., Ph.D., Director, Geriatric Pharmacotherapy Program, Professor of Pharmacotherapy and Outcomes Science Virginia Commonwealth University, Richmond, VA

Special session by the Education Committee and Mentor Task Force on career development, specifically targeted towards mid-career members of ASCPT

# Overview and rationale for the session

- ▶ Early to mid-career clinical pharmacologists identified a need for advice on how to get promoted and become leaders within the major career paths in clinical pharmacology (academia, industry, and government).
- ▶ Speakers will provide guidance on requirements and expectations for promotion within academia, industry, and government.
  - ▶ Importance of mentors throughout the career trajectory
  - ▶ Skills, experiences, and preparation needed to move into managerial and administrative roles

# Speakers

- ▶ Guidance in moving thru the ranks of industry
  - ▶ Raafat Bishai, M.D., Senior Director, AstraZeneca R&D
- ▶ Moving up, promotion and tenure in the academic setting
