FOR ALL

**ASCPT 2023
ANNUAL MEETING**

MARCH 22-24, 2023 | ATLANTA, GA

Beyond the Booth

Join ASCPT as a Partner for 2023 for unique and innovative opportunities to reach your target audience and maximize your ROI!

ASCPT Partnership planning options for 2023, including the ASCPT 2023 Annual Meeting (AM23).

Please note, some of these opportunities are available in limited quantities and will be provided on a first-secured basis. Listed prices and options should be considered confidential to potential Partner and are valid through **December 31, 2022**, unless otherwise noted. Prices will increase as of January 1, 2023.

All current and prospective partners agree to accept and acknowledge ASCPT's terms and conditions. ASCPT maintains right of first refusal with priority given to previous partners, and reserves the right to fully vet/decline potential partners if deemed necessary.

BEYOND THE BOOTH

No More Boring Exhibit Halls

ASCPT is focused on the future and providing significant value to our Partners. Therefore, we are doing away with a standard exhibit hall and are now focusing on branding, speaking, and year-round options to enhance ROI. Because of this, we work with each Partner individually to create a package that works best for accomplishing their goals.

BEYOND THE BOOTH

Year-Round Strategy

As you move through these opportunities, remember to consider that more than half of ASCPT members will continue to enjoy opportunities in a virtual-only format. Therefore, it's important to recognize a hybrid audience and how you can engage them throughout the year.

Network & Community Experience (NCE)

Online Learning, Recruitment, Emerging Scientist Sessions, Career Center, and More!

BEYOND THE BOOTH

Micro-Learning, Theater, or Recruitment

Annual Meeting: in-person, in meeting room
