

Henry W. Elliott Distinguished Service Award

The *Henry W. Elliott Distinguished Service Award* was established in 1979 to recognize an ASCPT member who has gone above and beyond the call of duty in service to the organization.

The goal of the *Henry W. Elliott Distinguished Service Award* is to acknowledge outstanding efforts on behalf of the organization by an individual member and in doing so, encourage other ASCPT members to contribute their time and talent to the Society.

Eligibility

A nominee must be a member of ASCPT. Past Board members who have been off the Board for at least one year at the time of nomination are eligible to be nominated. The essential criterion is documented evidence of excellent service to the organization. One or two outstanding acts of service or a long record of many acts of service may justify the award. The recipient should have a record of continuous service to the Society, including one or many major accomplishments.

Diversity, Equity, and Inclusion:

ASCPT is committed to recognizing and promoting excellence in research, collaborations, and efforts that highlight dimensions of diversity. Nominators should address how the candidate's service-based leadership has fostered a diverse and inclusive environment at ASCPT.

Prize and Presentation

The *Henry W. Elliott Distinguished Service Award* is presented at the ASCPT Annual Meeting. The recipient will receive a plaque and a \$1,000 prize. Travel expenses, hotel expenses, and meeting registration will be reimbursed by the Society.
