

**Meet the Network and Community Leadership**  
**Network: Development, Regulatory, & Outcomes (DRO)**  
**Community: Early Development & Drug Safety (EDDS)**

**Community Past Chair:**  
**John T. Sullivan, MD,**  
**ChB, FRACP**  
Amgen, Inc.

Dr. John Sullivan received his medical degree from the University of Otago, New Zealand, trained in internal medicine in Australia and New Zealand, and is a fellow of the Royal Australasian College of Physicians. He completed a fellowship in Clinical Pharmacology at the University of Toronto and worked in academic medicine at Brown University and at Johns Hopkins where he was an Associate Professor. He worked in the Clinical Pharmacology group at Bayer Corporation, and then joined Amgen. John started the Clinical Pharmacology Department and has worked in a variety of roles at Amgen most recently in Regulatory Affairs and Global Patient Safety. He is a member of the editorial board of Clinical Pharmacology and Therapeutics, and has previously served on the Board of Directors of ASCPT.
